

April 30, 2008

Dear Nativity School Parents & Students:

We are getting closer and closer to finishing all our construction. As of today, we are 6 weeks away from the debut. The construction site is buzzing with activity.

You can start to see the grounds being graded and ready for planting. The gym floor starts installation on Monday, May 5th. It is all very EXCITING.

A few items regarding logistics:

1. When waiting in the right turn lane in front of Vallombrosa, please do not block their driveway. This is the lane to turn into the parking lot on Oak Grove.
2. Due to limited space, the carnival rides will arrive after school on Monday, June 9th. Therefore, drop off and pickup on Tuesday, Wednesday and Thursday (June 10-11-12) will be in the rear parking lot at the church. This is for everyone's safety.

THANKS for understanding and we look forward to getting back to a normal routine next school year.

Sincerely,

Russ Castle
Building & Facilities Chairman
